the beginning what do you do when you discover information that is before its time what do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing normal to relate to this is what happened to dolores cannon in 1968 long before she began her career as a past life hypnotherapist and regressionist travel back with us to that time when the words reincarnation past lives regression walk ins new age were unknown to the general population this is the story of two normal people who

accidentally stumbled across past lives while working with a doctor to help a patient relax it began so innocently yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of it went totally against the belief systems of the time it was so startling that they should have stopped but their curiosity demanded that they continue to explore the unorthodox the experiment changed the participants and everyone involved and their beliefs would never be the same dolores cannon is now a world renowned hypnotherapist who has explored thousands of cases in the forty years since 1968 and has written fifteen books about her discoveries her books are translated into more than 20 languages she is teaching her unique form of hypnosis all over the world when she lectures people ask how did you get started on all of this this is the story of her beginnings the book was written in 1980 her very first book it has laid dormant gathering dust until now waiting now is the time for it to come forth enjoy the adventure

through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time did the american indians descend from the inhabitants of an alien spacecraft that crashed in the alaska canada region thousands of years ago starcrash indicates that aliens continued to come to earth some intentionally and by accident throughout our history in order to adjust to harsh conditions they were forced to interbreed with the local aborigines this was the only way to insure the survival of their race does their blood still flow in the veins of certain american indian tribes
